

# Getting lazy will cost you.

16 credit terms are taxing, and students often make the executive decision to skip a class or two in a given week. Just how much does skipping that 8A.M. class on Friday's cost me this term?

Average tuition from here:  
\$3,097 last term (16cr.)

**Total:**

\$309.70/week

**Total:**

\$932.20/week

Minutes of class in a week:

910

Hours:

15.16

Tuition from here:

\$9,392 last term (16cr.)
